

Digiflash

Your passport to great exposures

The smallest lightmeter
for flash and ambient light

GOSSEN

Digiflash

The smallest lightmeter for flash and ambient light.

Another first from GOSSEN; the Digiflash is the first flashmeter to combine both analog and digital displays in an ultra compact design.

Easy and comfortable to use, great for flash and ambient. Simply enter the desired sync speed, and trigger the flash. The Digiflash will display the resulting EV value measured in the LCD display. That value is then placed precisely under the red indicator. Read the required F-stop on the scale opposite your selected flash sync speed.

Digiflash Features:

- Measurement of both flash and ambient light.
- Incident and reflected measuring modes.
- Microprocessor controlled.
- Digital LCD display in 1/3-stop increments.
- Contrast read-out in 1/3-stop increments.
- Storage of measured values.
- Analog display of all suitable F-stop/shutter speed combinations.
- Over/Under range display.
- Automatic battery control
- Timer, clock, and alarm functions.
- Temperature measurement.

Meter Type	Digital Exposure Meter
Measuring modes	Ambient light Flash light (non cord) Incident light Reflected light Contrast measurement
Light sensor	sbc photo diode
Measuring range ambient (at ISO 100/21°)	EV 0 to 18
Shutter speeds	t = 1/2000 sec to 4 min
Aperture/f-stops	f/1 to f/32
Measuring range flash (ISO 100/21°)	f/2 to f/32
Sync speeds	1 sec to 1/500 sec incl. 1/90 sec
Correction values	+/- 3,0
Film speeds	ISO 6 to 3200 in 1/3 increments
Measuring angle - Reflected light mode	approx. 25°
Timer	1 sec to 30 min
Watch	12 h (AM/PM) or 24 h display, adjustable
Accuracy	5 min/year
Thermometer	adjustable to °C or °F
Measuring range	-15°C to 70°C or 5°F to 160°F
Accuracy	+/- 2°C or +/- 4°F
General data	
Display	Digital LCD-display and analog scales
Battery	1x3 V Lithium battery CR 2032
Operating temp. range	-10°C to 60°C, 14°F to 140°F
Dimensions	approx. 75mm x 50mm x 23mm
Weight	approx. 40g incl. battery
Accessories included	Battery, carrying case, cord, instruction manual
Optional accessory	Mounting clip for camera shoes. At additional price
