Ezybox Hotshoe Creative Diffusers

A set of three diffuser covers are now available for the 15" and 24" Ezybox Hotshoes. Each cover features a black cut out mask (2 rectangular and 1 circular) with a 2 stop diffusion panel. The cover simply attaches to the front of the softbox and can be used with or without the diffusion layer(s) supplied with the Ezybox Hotshoe. Whether you're looking for a different catch light shape or want to experiment with creative lighting these new covers provide a really useful accessory for the Ezybox Hotshoe range.

Features

- Provides creative control over your battery powered flash.
- Can be used with or without diffusion panels attached.
- Three different shapes to provide the most creativity.
- Large size can also be used with standard EzyBox (LL LS2490).

Knitted Curtain Backgrounds

Our new range of curtain backgrounds come in six popular colors and are made from a knitted fabric which can be draped or stretched to instantly remove any creases. Fully machine washable at 100° F (40° C) in a large washing machine, these backgrounds are available in two sizes 10' x 12' (3 m x 3.5 m) and 10' x 24' (3 m x 7 m). Each background is supplied in a handy tote bag and features a hem on the 10' edge to insert a pole for support. A set of 4 clips are also included to secure the background when stretched between the stands of a support system as shown below.

Features

- Creases hang out of fabric.
- Can be draped or stretched.
- Machine washable.
- Coinvent tote bag included.
- Set of 4 clips included.

Specifications

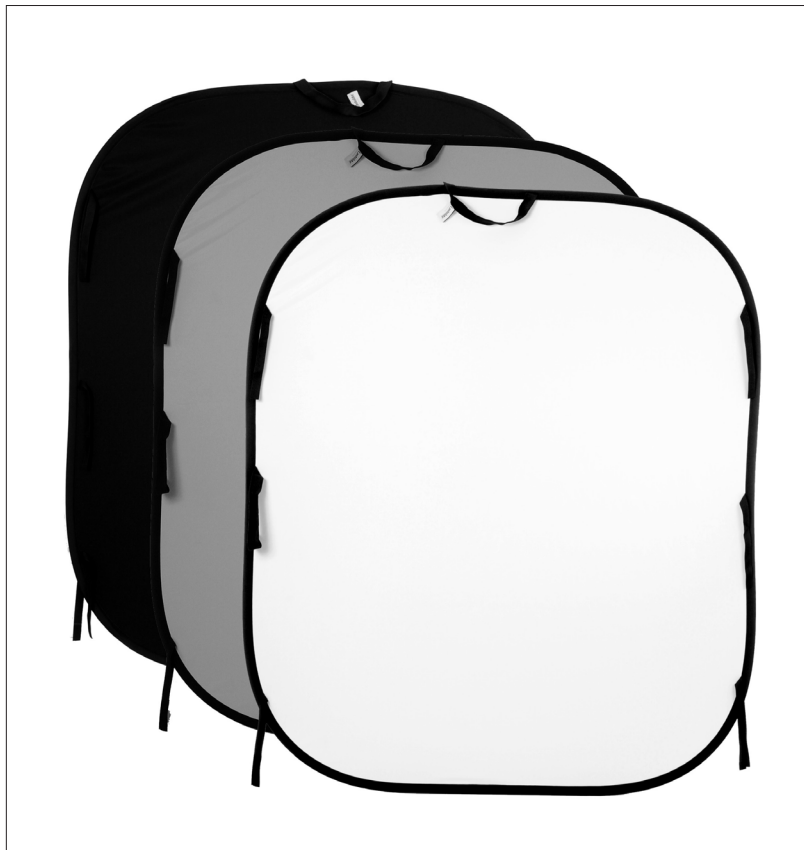

Knitted Backgrounds Code

Background Name	Size	Code
Washington	10' x 12' (3m x 3.5m)	LL LB7540
Dakota	10' x 12' (3m x 3.5m)	LL LB7541
